CLINICAL CHILD PSYCHOLOGY

2009. Hardcover. Condition: New. 352 Clinical child psychology is newly developed/developing specialty of professional psychology. Though the basic tenets are similar to that of clinical psychology yet the specific requirement for a clinical child psychologist is to have a background in child, adolescent and family development and developmental psychopathology. The clinical child psychologists conduct scientific research and provide psychological services to the children and adolescents. The book is an attempt to provide comprehensive information about the clinical child psychology including...
